

Start with Commission #1 and play them in order, recording the results in the Commission Log. Collect one  if it is the first time you successfully completed this particular Commission. **For each successful completion, including first time:** If your star rating is 1 or 2, collect one . If your star rating is 3 or more, collect two . When you complete a set of Commissions, you may collect additional  as indicated. Use the checkbox to mark as collected. Record the  you've collected by checking off the spaces in the Career Log below.

COMMISSION LOG		#	Date	#☆	#🌟
Commissions 1-4: Beginner Creations <i>The development of one's expertise and reputation in any particular area of unique craft can only be achieved by first applying oneself to the basics.</i>		1			
		2			
		3			
		4			
		<input type="checkbox"/> +1 🌟 for completing #1-4			
Commissions 5-8: Radial Symmetry <i>Many diatom mosaics are arranged in radial patterns that are highly symmetric and offer pleasing spokes of repeated color and shape variations.</i>		5			
		6			
		7			
		8			
		<input type="checkbox"/> +1 🌟 for completing #5-8			
Commissions 9-12: Celestial Forms <i>The domain of the diatom is that of the microscopic, giving an artistic irony to these recreations of celestial bodies rendered in the arrangement of algae.</i>		9			
		10			
		11			
		12			
		<input type="checkbox"/> +1 🌟 for completing #9-12			
Commissions 13-18: Nature's Beauty <i>The bountiful and beautiful forms of Nature offer a rich palette of inspiration—from the flowers of the garden to the trees of the orchard.</i>		13			
		14			
		15			
		16			
		17			
		18			
		<input type="checkbox"/> +2 🌟 for completing #13-18			
Commissions 19-24: Signs of Spirits <i>Where nature touches the heavens, we imagine spirits peering down on us, as we peer down into the microscopic depths ourselves.</i>		19			
		20			
		21			
		22			
		23			
		24			
		<input type="checkbox"/> +2 🌟 for completing #19-24			
 Freeform Commissions: It's time to break out of the standard mosaic mold. If a Commission has FREEFORM at the top, turn your player Slide Board over and create your mosaic on the back. There are no slots- use your artistic eye for placement.					
Commissions 25-30: A Study in Algae <i>We call them the "Jewels of the Sea." Let us admire the diversity of their intricate geometric details and the mystery of their silica structures.</i>		25			
		26			
		27			
		28			
		29			
		30			
		<input type="checkbox"/> +3 🌟 for completing #25-30			
Commissions 31-36: Bits of Fancy <i>Even in the midst of serious Science, there is room to be inspired by the magical, the fantastical, and the whimsical.</i>		31			
		32			
		33			
		34			
		35			
		36			
		<input type="checkbox"/> +3 🌟 for completing #31-36
